## THE HONEST INFO (THI) CONSULTING SERVICE DESCRIPTIONS:

*You invest in yourself by hiring THI Consulting as your career or business coach! Our focus is empowerment and the resolution of patterns and habits that keep you stuck at achieving less than you should. You determine the focus of our sessions, but here at THI Consulting, we specialize in resolving a number of concerns.*

### LIFE, CAREER AND SALES COACHING:

If you are a person who knows where you are going in life, we can get you there faster. Or if you have no idea what you should do; we are the catalyst which will get you on the path to living a more successful and fulfilled life.

### INTERVIEW COACHING:

You will benefit from working with a coach with Human Resources hiring and interviewing experience. Depending on your level of comfort, we can video or audio record your session so you may learn how you look and sound to an interviewer. Next we review all of your answers to the given interview questions and your coach will provide you with feedback for each answer. These sessions also include discussions about appropriate interview attire.

### NEGOTIATION SKILL DEVELOPMENT:

Never fear another negotiation. Your coach will work to teach you how to win in negotiations. Do you know how you lose your position of power in negotiations? Your coach will teach you that and other effective strategies to get the outcome you want in every negotiation.

### RESUME CREATION PACKAGES:

Your resume will be reviewed by a coach with a Master of Arts and Human Resources recruiting experience. Your coach will then talk to you about your work experience and then fill in the gaps that are currently on your resume. The coach will then rewrite and redesign your resume from top to bottom and give you a complete and eye-catching resume in PDF, Word and Text formats. This will also include a cover letter that will attract the attention of recruiters and hiring managers.

### ASSESSMENTS:

We offer a number of assessments for your success. Some of the assessments include personality profiles, job skill inventories, job interest inventories, conflict management style determinants, job engagement evaluations, team values indices, influencing style ratings, and stress trigger surveys.

### JOB APPLICANT GROOMING:

Always make a great impression! Your coach will help you to obtain a polished personal presentation and will work with you to master creating a positive impression that lasts. The coach will teach you proper interview and networking etiquette as well as how to appropriately follow-through.

### PERSONAL BRANDING WARDROBE ASSISTANCE:

You will receive one-on-one assistance polishing your wardrobe so you may make a positive impression in interviews, networking events and other social settings! You and your coach can visit a local department store to purchase impact pieces.

### BUSINESS DEVELOPMENT:

We take you from budding entrepreneur to a successful enterprise with our Business Development Coaching. We also assist struggling businesses to turn around existing business models so they may produce a lasting legacy in their industry. Our Business Development Coach has grown and sold several successful businesses and will help you exceed your business expectations.

### EMPLOYMENT SUPPORT PRODUCTS:

Make your job easier, hire us. We also offer employment termination services, employment assistance program (EAP) coaching packages, offsite HR services, such as recruiting HR investigations, HR compliance guidance, auditing and more.

### GROUP SERVICES:

In addition to the list above, we also offer a number of mini and full length classes, seminars and workshops Any service can be tailored to meet your group's or business' needs. Give us a call and we will tell you about our program that will work for you!
